### SPIRITUAL AIMS THOUGHT FOR THE WORK WEEK

*Good morning: I am God. Today I will be handling all of your problems. Please remember that I do not need your help. If the devil happens to deliver a situation to you that you cannot handle, do not attempt to resolve it. Kindly put it in the SFJTD (Something For Jesus To Do) box. It will be addressed in my time, not yours. Once the matter is placed into the box, do not hold on to it, or attempt to remove it. Holding on to or removal will delay the resolution of your problem. If it is a situation that you think you are capable of handling, please consult with me in prayer to be sure that it is the proper resolution. Because I do not sleep, nor do I slumber, there is no need for you to lose any sleep. Rest my child. If you need to contact me, I am only a prayer away.*

### MONDAY MORNING

We had 19 members at Monday's meeting back at the Ramada Hotel. We inducted our newest member, Jackie King, at Monday's meeting. Thanks to John Cooper for sponsoring Jackie and thanks to Jackie for wanting to join our Club for the betterment of our community. We also had three Horace Mann High School Key Clubbers join us Monday morning plus our guest speaker, Michelle Majewski from Marian University. President Bonnie announced that the Social Committee has set a date of Wednesday, June 29<sup>th</sup> for our Thank You Picnic to be held at McDermott Park. The picnic will be from 5:30 – 7:30PM. Our 2<sup>nd</sup> grade sponsored Little League team is playing that evening at 4:30PM at the Russell South diamond if anyone wants to watch one of our two sponsored teams play before the picnic. Little League players and their parents, Key Clubbers and their parents and our many volunteers from Walleye Weekend and our Pork Fest will be invited as are the member's family members and/or significant others. Watch for more details in the upcoming weeks. Gary Miller announced InterClub opportunities to the Bob Last Golf Outing today, Thursday (5/26) or on Thursday, June 9<sup>th</sup> to the Annual Seibken's Breakfast in Elkhart Lake. Watch for more details on the Seibken's breakfast in the next two weeks.

Tina Potter announced that Gary Ring had been named "Volunteer of the Year" by the Fond du Lac Boy's & Girl's Club. Congratulations Gary!!!! Ron Seidl was winner of the 50/50 Raffle and he drew an eight of Club, not a winner but it does take another card out of the deck. We have got to be pretty close to a winner.

### MARIAN UNIVERSITY CRIMINAL JUSTICE

Michelle Majewski, Founding Dean of the Criminal Justice Program at Marian University, joined us on Monday morning. The School of Criminal Justice offers many fabulous opportunities for individuals interested in the field of Criminal Justice. Current undergraduate programs include a minor and major in Criminal Justice, a major and minor in Homeland Security, a major in Forensic Science, and a certificate program in Homeland Security leadership. The undergraduate program is celebrating its 18th year

### KEY CLUB CORNER

By Jan Krug & Gary Ring

Both Key Clubs are getting ready for the end of the school year. Have a great summer!!

### WALLEYE WEEKEND UPDATE

Believe it or not, Walleye Weekend is only two weeks away. FDL Festivals has been meeting regularly in their planning role and our Fundraising Committee has also been working behind the scenes starting to get items in place for the big weekend. We've got 2,400 pounds of cheese curds on order so you know we're getting close. The sign up sheets have started to circulate so set aside lots of time on your calendar to help out the weekend of June 10-12. The success of this event is directly tied to how involved our members will be. Wednesday night, June 8<sup>th</sup>, will be the trailer move date with all of our equipment and Thursday night, June 9<sup>th</sup>, will be set up for our kick off on Friday.

### MARIAN UNIV (cont'd)

of success; this particular program was updated and expanded this past year to include new concentrations in juvenile justice, social justice, and a generalist track to compliment the law enforcement concentration. The Homeland Security program is brand new, as is the Forensic Science program. Students can participate in many internship experiences and can apply to participate in the US Marshals Internship Program. Marian adult students can enroll in the Master's program in Criminal Justice Leadership and become a Criminal Justice Administrator. On the graduate level they offer a Master of Science in Criminal Justice Leadership that is offered on the Fond du Lac campus and also in West Allis in an adult accelerated learning format with courses lasting only 7 weeks.

**Monday's meeting is a Roundtable for Memorial Day at Rolling Meadows Family Restaurant starting at our regular time of 6:45AM. If you show up at the Ramada you'll probably find a very small crowd.**
