Jan 24 – Steve Millin & Tina Potter  
Jan 31 – Fred Pumper & Harry Schneider

### BIRTHDAYS

Feb 2 – Jim Freiberg  
Feb 19 – Diane Bunger

### ANNIVERSARIES

Mar 8 – Gary & Lois Ring

### SPIRITUAL AIMS THOUGHT FOR THE WORK WEEK

*Together we stand up to preach right practice. Together we practice what we preach. Ours is the gift of good company on days when decisions are not simple and the way is not clear. Ours is the gift of affirming the ways of the God who is working within us. Blessed is the vision that partnership shares within its circle of colleagues and peers for the good of others. Blessed is the partnership rooted in faith that spills over, spreads over, covering over everything that is not life-giving. God of companionship may we be supportive, may we be effective in bringing to life all the best in each other. Gracious God, we thank you for the gift of working and of learning together. We are partners in service, partners in healing and in hope.*

### MONDAY MORNING

We were back to a more normal attendance with 18 members and three guests at last Monday’s meeting. Joining us as guests were Dean John Short and his administrative assistant, Renee Anderson, from UW-Fond du Lac along with Jackie King from National Exchange Bank and Trust, guest of John Cooper and potential member. Bob Kahl had a “Happy Buck” as a hello from Denny Gutman in the Holyland and Bonnie Baerwald also had a “Happy Buck” for Sunday’s Packer win, even if it was on the lucky side. Dan Leeds handed out a feedback survey from the Membership Committee to develop a list of potential names that we can approach to consider membership in our Kiwanis Club. Dan asked all of the members to give him five names of people that the Membership Committee can contact to discuss membership in our Club. You can get this list of names to Dan in the next month or two or you can e-mail your names directly to him at [dleeds@trinityfdl.net](mailto:dleeds@trinityfdl.net). John Cooper drew the eight of spades so he wasn’t a winner but that’s one less card for the next drawing.

### UW – FOND DU LAC

The University of Wisconsin-Fond du Lac (UW-FDL) offers a student-centered environment that focuses on teaching and learning. With small classes and a dedicated and professionally active faculty, UW-FDL is committed to engagement, interdisciplinary connections, and programs that will challenge student’s intellect. A beautiful campus of 183 acres, UW-FDL will provide you with educational experiences that include cultural enrichment, academic and co-curricular activities, access to local and state-wide library resources, science labs, and state-of-the art computer labs. Concerts, art exhibits, plays, and lectures are a few examples of activities that foster creativity and that infuse your entire educational experience. At UW-FDL, students will be able to complete the first two years of liberal arts courses that offer guaranteed transfer to four-year UW campuses throughout the state. UW-FDL also has tuition that is the lowest in the UW System. Dean Short came from southern Pennsylvania last summer and so far has thoroughly enjoyed Fond du Lac and all that it has to offer.

### KEY CLUB CORNER

By Jan Krug & Gary Ring

The Membership Committee is asking Gary Ring and Jan Krug to provide a listing of the Key Clubbers at both North Fond du Lac Horace Mann and Fond du Lac High School to contact the parents of our Key Clubbers to see if there is any interest in joining our Club. With any luck some of the parents might be interested in joining our great group.

### SOLUTIONS CENTER TREE PICK UP SERVICE PROJECT

The Community Services Committee is again organizing a Service Project this year to help the Solutions Center with their Christmas Tree Pick Up Project. Volunteers are needed for this Saturday, January 15<sup>th</sup> starting at 7:30AM. Not only are volunteers needed but also volunteers with trailers are needed if any of our members have them and would like to offer them to help haul trees. If you’re interested in helping be at the City/County Building at 7:30AM on Saturday, January 15<sup>th</sup>. A light breakfast will be available while the crews are assigned their routes for pickups.

### SKI OUTING

Dave Twohig has again invited members of the Club and their families along with any Key Clubbers that are interested to join him at the Twohig Family Ski Hill for an afternoon of skiing enjoyment. There will be skiing, sledding, tubing and just sitting around the fire if that’s what meets your fancy starting at 1:00PM. The Twohig Ski Hill is located approximately two miles north of Campbellsport on West Sunset Drive. Take Sunset Drive west off of Cty Tk V to the first driveway past 3306 W. Sunset Drive. If you get to the bike trail you’ve gone too far. Sounds like it will be a lot of fun. Because Mother Nature has not been cooperative and brought us more snow the date has been moved back from this Sunday, January 16<sup>th</sup> to next Sunday, January 23<sup>rd</sup>. Dave asks that anyone that comes bring a dish to pass and he’ll deep fry a turkey as well. Let’s hope we get some snow before the 23<sup>rd</sup> so this event can happen.
