Harry did the grace. Dave had the humor. The nominating committee will be meeting to set the slate for the Board, Vice President, and President Elect. Contact Chris Serres to volunteer to help the club next year. Happy dollars from Pete, John and Gary Miller. January 10th, we started over with another new deck. Mark was the winner and loser. CITY OF FOND DU LAC

Paul has been Director of Public Works for one year. Previously he was city engineer for ten years. His department has about 120 permanent employees. He will have a number of seasonal and temporary employees for the summer months. If you can swim, they are looking for lifeguards. One of the big jobs is the corner of Pioneer and Johnson. It will start work at Forest and Pioneer and go to Johnson and Peters. In addition, they will add stop lights in front of the mall. So, if possible, stay away from this area this summer. We will get a new round about at 9th and Military. In Lake Side Park, they are rebuilding the Light House. They will also add a viewing area at Lakeside West for Supple's Marsh. Every year they clean up some of the older street, water, and sewer lines. They also would like to remove all the old lead water lines. In addition, there are still a lot of ash trees and stumps to be removed.

THOUGHT FOR THE WEEK

Live simply – love generously. Care deeply – speak kindly and leave the rest to God. Retain Faith that you will prevail in the end regardless of the difficulties. And at the same time confront the brutal facts of your current reality. You will prevail in the end and turn this experience into the defining event of your life. **REMEMBER THAT WE ALL NEED SMILES – BE THE INSPIRATION!**
